

Amendments to the Claims:

This listing of claims will replace all prior versions and listings of claims in the application.

Listing of Claims:

1. (Amended) A preparation for treatment of cervical erosion, ~~characterized in~~ wherein comprising products of *Nocardia Rubra* cell wall skeleton.

2. (Amended) The preparation of claim 1, ~~characterized in~~ wherein comprising pharmaceutically acceptable carriers.

3. (Amended) The preparation of claim 1, ~~characterized in that~~ wherein *Nocardia Rubra* cell is deposited in China General Microbiological Culture Collection Center with deposition No.: CGMCC No0712.

4. (Amended) The preparation of claim 2, ~~characterized in that~~ wherein the pharmaceutically acceptable carriers include carbohydrate, glycoside, fat or fatty acid, protein, amino acid, esters, spirits, demasorb, hydroxycarboxylic acid, poly-anion, surfactant, antiseptic, antioxidant and dextran.

5. (Amended) The preparation claim 2, ~~characterized in that~~ wherein content of *Nocardia Rubra* cell wall skeleton is in amount of 0.005 weight % -99 weight % based on the total weight of the preparation.

6. (Amended) A process and test method of a preparation of treating cervical erosion ~~including that~~ wherein:

After cultivating, collecting thallus, cell fragmentation, purifying the enzyme, removing the grease, *Nocardia Rubra* cell wall skeleton is obtained, followed by mixing the *Nocardia Rubra* cell wall skeleton and the pharmaceutically acceptable carriers to obtain the preparation;

A quality test method includes batch detection of strain of *Nocardia Rubra*, culture liquid of *Nocardia Rubra* cell wall skeleton and a final product containing *Nocadia Rubra* cell wall skeleton.

7. (Amended) The preparation of claim 6, ~~characterized in that~~ wherein the pharmaceutically acceptable carriers include carbohydrate, glycoside, fat or fatty acid, protein, amino acid, esters, spirits, demasorb, hydroxycarboxylic acid, poly-anion, surfactant, antiseptic, antioxidant and dextran.

8. (Amended) The preparation of claim 6, ~~characterized in that~~ wherein the content of *Nocardia Rubra* cell wall skeleton is in amount of 0.005 weight % ~99 weight % based on the total weight of the preparation.

9. (Amended) A method for treatment of cervical erosion, ~~characterized in that~~ wherein applying pharmaceutically effective amount of *Nocardia Rubra* cell wall skeleton preparation directly on a suffering site of subject.
